33-13 Child care personnel did not complete preservice training requirements prior to unsupervised contact with or care of children or, if supervised, within 90 days of beginning employment or service with the provider. (Section 3.1 and 3.2 Training Requirements, Page 7) [SR]

Comments

During the file review, counselor observed that a staff member in a classroom alone, had not completed SR pre-service training.

T/A:

Preservice

Child care personnel must successfully complete the preservice training coursework described in this section, as applicable. All child care personnel must complete these preservice training requirements within 90 days of initial employment with any School Readiness provider. This timeframe does not start over if personnel change employment to another School Readiness provider within this initial 90 days. Personnel who have not completed all preservice training requirements are not allowed any unsupervised contact with or care of children in a School Readiness program.

Staff completed the required pre-service training, before the inspection uploaded.

In-service training for 2024/2025 was monitored during the inspection.
