Important School Readiness Updates:

Due to changes in federal regulations, there are new health and safety training requirements for all child care personnel employed at a contracted School Readiness (SR) program site. For compliance, all personnel who directly supervise children must successfully complete mandated health and safety training.

By June 30, 2024, all current SR child care personnel must complete two new health and safety courses: Health and Nutrition in the School Readiness Program and Safety Practices in the School Readiness Program. These courses are free to the learner and will be hosted in the Florida Early Childhood Professional Development Registry.

Within 90 days of initial employment with any SR provider, new hires and current pre-service trainees must complete all required pre-service training by successfully completing one of the options below:

Option 1 (DCF courses, plus corresponding exams)

**Name:** ABC Learning Pre-School License #: C11MD1331  
**Address:** 11890 SW 8th St Ste 100 Miami FL 33184

Background Screening Update - During 2016, all providers were required to re-screen child care personnel that had background screening dates completed prior to July 1, 2016, to address new screening components for existing staff.

Screenings processed in the Clearinghouse during 2016 will need to be RENEWED in 2021 for an additional five (5) years.

The Clearinghouse system is set up to send automated notifications to providers at 60 and 30 days prior to the Retained Prints Expiration Date, only for employees that have been added to the facility roster.  
Provider need to keep their roster current and notify licensing when their email address has changed.

Failure to RENEW retention of prints will change the individuals status from Eligible to A New Screening is Required - which means that the individual needs to restart to have their fingerprints LiveScanned into the Clearinghouse system.

A Resubmission is NOT the same as a RENEWAL. A Resubmission is used when an individual has had a lapse in employment greater than 90 days and triggers a rescreening of required components and a new screening status is issued. Please do not use Resubmission.

The RENEWAL:

- 1.required every five (5) years beginning from when the fingerprints entered the Clearinghouse; this is not based on the eligibility date.
- 2.used to continue retaining the fingerprints in the system for an additional five (5) years.
- 3.triggers a rescreening of required components and a new screening status is issued.
- 4.cost \$43.25 and can be paid using a credit card or electronic check within the Clearinghouse.

The employer/owner/operator must add child care personnel to their Employee/Contractor Roster in the Clearinghouse within 5 days of when the individual has received a child care eligible result and has been hired at the facility. Employer/owner/operator must add an end date for individuals on the Employee/Contractor Roster in the Clearinghouse within 5 days of the employment termination.
